## Permission for use of Student Image and First-Name Only

Various non-profit entities similar to Lillian Vallely School have found that establishing a personal relationship between donors and the recipients of their generosity has proven invaluable in increasing sponsorship funding; therefore,

I, \_\_\_\_\_, parent/guardian of  
\_\_\_\_\_, a student at Lillian Vallely School, offer my permission for the officers and officials of Lillian Vallely School to use my child's photographic image and first name only in promotional, marketing and support materials developed by the school. I furthermore extend this permission until my child is no longer a student at Lillian Vallely School or until such permission is revoked, in writing, whichever comes first.
